

St Mary the Virgin CE Primary School Newsletter

15 May 2009

Dear Parents and Governors,

We have survived 'Test Week'! The children have worked very hard and been very sensible. The infants have been very considerate and kept quiet so that the older children were not disturbed.

Everyone is now looking forward to
Science Week.

Some further information about Science Week:

- On the day of the visit to Hurstmonceux, a packed lunch will be required – no glass bottles or fizzy drinks.
- School uniform to be worn every day.
- Bring jeans / trousers for walk and suitable footwear – boots or wellies. The walk is only during the morning so a packed lunch will not be required.
- On Friday when the whole school goes to Wakehurst, everyone requires a packed lunch; school uniform on top with jeans/trousers; a coat and/or rainproof jacket; suitable shoes/boots (not sandals). We shall be outside whatever the weather!

If you have not yet returned the permission form, please will you send it in on Monday. Children cannot go on school trips without parents' permission.

Thank you to those who have offered to help. Teachers are sorting out helpers (fighting over you!) and will contact you on Monday. If anyone else would like to volunteer, please don't be shy – volunteer. We hope this will be a fun packed week and give the children a memorable experience.

Star of the Week

Maple: Toby Castle

Cherry: Cordelia Moore

Oak: Jessica Graham

Beech) All the children in Beech
Lilac) and Lilac have worked
very hard this week so it is
impossible to pick out an individual
star.

Well done STARS

House Points – this week

- 1st: Rother
- 2nd: Teise
- 3rd: Medway
- 4th: Cuckmere

Clubs

Out door clubs will not run if it is raining. If your child is attending a pre-school club, not at school, eg on the Croft, please do not leave your child unless the teacher is present. If in doubt, bring your child to school.

Police visit

PCSO Perrin called into school today to say hello to the children. She can be seen around the village and neighbouring area. PCSO Perrin will be visiting the school to get to know the children. Many of the children have already met her and were pleased to see her. Do say hello when you meet her in the village.

Pam Edwards
