

**PTA NEWSLETTER**  
July 2007

**SPORTS DAY & FUN EVENING & AUCTION OF PROMISES**

We still have one final event for the year. The evening festivities on Friday 20<sup>th</sup> July are scheduled for 5pm to 7pm.

There will be tasty food, bouncy castles (for the children), an auction of promises and second-hand uniform sale. Come along for a great evening!

Last call for any more donations, can you do an evening of babysitting or mowing the lawn! We have had a lot of support from various businesses but not much from the parents so far! PLEASE complete the slip and return it to the school with a promise – let's finish the year on a real high note.

Refreshments will be served by the PTA at the sports day. If this is your first Sports Day don't forget to bring a blanket or some chairs to sit on and those all important running shoes!

Volunteers for all events are gratefully received. The school is looking for helpers to set up the gazebo for the sports day and Karen will be setting up a rota for the evening.

**SIMPLY STUCK**

Stock up now for those summer growth spurts and put in your order now for those wonderful iron-on sticky name labels for all those new

uniforms. A contribution will go to the PTA, which will assist the school. Order forms are attached and should be returned direct to Simply Stuck.

**FUND RAISING 2006/7**

Unbelievably another year has flown past and I am now writing my final newsletter for this year before the summer holidays. £8,400 has been raised so far this year. With the float carried over from last year this means that the PTA have been able to authorise the school to spend £10,000 on acquiring much needed new computer equipment.

This could not have been done without all of you and your tireless support. Thank you.

Next years project will be to assist with the refurbishment of the Foundation Stage as the flagship area for the school. This is in addition to our ongoing commitment to subsidise school trips.

Trust you have a wonderful and relaxing summer holiday.
